CONFERENCE PRESIDENT

WELCOME MESSAGE

DEAR HONORABLE COLLEAGUES,

Welcome to our annual gathering: The Annual Scientific Conference of The General Organization Of Teaching Hospitals and Institutes (GOTHI). This year, we are proud to present a comprehensive program dedicated to discussing the recent and up-to-date advances in pain management .

You can expect a distinguished and interactive scientific program dedicated to enhancing clinical practice and day-to-day patient care. You will enjoy fruitful sessions and more than 250 carefully selected lectures that will be presented by high-caliber speakers from various specializations.

We will provide you with several hands-on learning stations covering diverse fields and offering practical instruction in key areas of medical practice.

We aspire that this conference will have a special mark on you and we are sure that your attendance will add immense value to this outstanding event. We look forward to our fruitful mutual cooperation.

Prof.
Muhammad Mostafa Abd El Ghaffar
GOTHI President
Muhammad Mostafa Abd El Ghaffar

GENERAL INFORMATION

VENUE:

Panoramic views of the Nile set Grand Nile Tower meeting, conference and banqueting facilities apart from all others in Egypt. Nowhere else in all of Egypt are there ballrooms, boardrooms and outdoor venues that offer such spectacular vistas.

Our elegantly appointed, state-of-the art facilities can accommodate gatherings of any size from discrete private meetings to large-scale functions. Grand Nile Tower is the most exciting and desirable event venue in Egypt.

with over 3,000 square meters of meeting and function space situated on two floors overlooking the Nile and outfitted with high-tech multi-media facilities, lighting systems and sound equipment, Grand Nile Tower can cater to all requirements.

The banqueting facilities can be reached from the hotel's main lobby by escalators or elevators or by ascending a grand staircase that sweeps up to a capacious foyer that can accommodate 300 guests or delegates for breakouts or receptions.
