WELCOME MESSAGE

DEAR ESTEEMED COLLEAGUES,

Welcome to our gathering in the " Annual Scientific Conference of The General Organization Of Teaching Hospitals and Institutes (GOTHI)".This year," Emergency Medicine " is the theme of our conference discussing the recent and up to date advances in this field which complies with the international standards.

You can expect a distinguished interactive scientific program dedicated to the clinical practice and day to day patient care. You will enjoy fruitful multidisciplinary sessions on 10 hot emergency topics , a special hall for interesting video presentations in different clinical fields and more than 200 carefully selected lectures that will be presented by high caliber speakers.

We will provide you with several hands-on learning stations on different specialties as basic life support , advanced cardiac life support , trauma life support , US guided venous access , GI endoscopy advanced techniques , Primary PCI , management of rupture globe , neonatal resuscitation and others .

In " GOTHI Museum Hall " you will have a journey to the ancient history of GOTHI hospitals and institutes with memorial photos in addition to photos for unusual interesting and difficult interventional & surgical cases done in our hospitals and institutes in 2023.

We aspire that this conference would have a special mark with you and also we are also sure that your attendance will add value to this outstanding event .

We look forward to our fruitful mutual co-operation.

Prof. Muhammad Abd El Ghaffar
GOTHI President
Muhammad Abd El Ghaffar

GENERAL INFORMATION

VENUE:

Panoramic views of the Nile set Grand Nile Tower meeting, conference and banqueting facilities apart from all others in Egypt. Nowhere else in all of Egypt are there ballrooms, boardrooms and outdoor venues that offer such spectacular vistas.

Our elegantly appointed, state-of-the art facilities can accommodate gatherings of any size from discrete private meetings to large-scale functions. Grand Nile Tower is the most exciting and desirable event venue in Egypt.

With over 3,000 square meters of meeting and function space situated on two floors overlooking the Nile and outfitted with high-tech multi-media facilities, lighting systems and sound equipment, Grand Nile Tower can cater to all requirements. The banqueting facilities can be reached from the hotel's main lobby by escalators or elevators or by ascending a grand staircase that sweeps up to a capacious foyer that can accommodate 300 guests or delegates for breakouts or receptions.

Grand Nile Tower's team of conference and banqueting specialists provide a full range of professional services for any kind of gathering or event, including simultaneous or consecutive translation, audio-visual support and world-class catering from flexible and diverse banqueting menus to suit all tastes and occasions.
